Knowing this, and in consideration of being permitted to participate and/or receive instruction at the EVENT, I hereby voluntarily release the Releases, and each of them, from any and all liability resulting from or arising out of my participation and/or receipt of instruction at the EVENT.

I understand and agree that by signing this Waiver/Release, I am agreeing to release, indemnify and hold the above-named individuals or entities and their officers, agents, principals, partners, shareholders, directors and employees harmless from any and all liability or costs, including attorney fees, associated with or arising from my participation and/or receipt of instruction at the EVENT. Said damages are not the responsibility of the ISKF, the ISKF East Coast Region or the East Coast Shotokan Karate Association.

I understand that if I am signing this Waiver/Release on behalf of my minor child, that I will be giving up the same rights for said minor, as I would be giving up if I signed this document on my own behalf.

- H. In matches in which the rank of either contestant is 3 kyu or above, either team or individual, the method of the contest is jiyu ippon kumite (semi-free sparring), to employ ISKF rules.
1. The essence of jiyu ippon kumite, offensively, is to make one strong attack in order to catch your opponent defenseless. Defensively, one needs to make a strong counter-attacking measure, by itself or coupled with a block. The defending side must demonstrate two different countering techniques.
 2. At the start of each match, aka (red side) will initiate the attack. Each attack must be clearly and loudly announced in the order of jodan oizuki, chudan oizuki, chudan mae geri, and chudan yokogeri kekomi. The offensive side may use their favorite side to attack.
 3. Prohibited Techniques
 - a. The offensive side may not use feints or noises to distract their opponent.
 - b. The offensive side must make their attack once they are within correct distance. Once the correct distance has been established, they cannot hesitate, stalk, or pursue their opponent without an offensive technique, or the referee will issue a warning.
 - c. The offensive side, upon completion of an attack, must maintain their kamae (attack posture) and not immediately draw back the attack technique or step back out of counterattacking distance.
 - d. The offensive side cannot block counterattacking techniques or avoid them by body shifting (must maintain attack posture).
 - e. The offensive side cannot jump or slide with the lunge attacks.
 - f. No grabbing or holding will be permitted by the offensive or defensive side.
 - g. Escaping out of bounds by the defensive side will result in the following:
 - 1st time: jogai keikoku out of bounds
 - 2nd time: jogai chui warning
 - 3rd time: jogai hansoku disqualification, loss of match
- I. In final matches in which the rank of both contestants is 3 kyu or above, the method of the contest will be jiyu kumite (free sparring), according to ISKF rules.

Please Note In kumite matches, mouthpiece and ISKF-approved white cotton/canvas hand protectors are required for all competitors, regardless of rank.
